Mr. Robert E. Hansen
Sr. Vice Commander-in-Chief
Veterans of Foreign Wars
211 Grand Avenue
South St. Paul, Minnesota

Dear Mr. Hansen:

Thank you for your letter of March 29 recalling our conversations during your recent trip to Washington. It was a pleasure for me to have this opportunity to see you again, along with Mr. Francis W. Stever of your Washington office.

On the matter of the World Veterans Federation, in which you expressed a special interest, I will be pleased to put you in touch, next time you are in Washington, with someone in the Government who can furnish you with further, detailed briefings. I understand that you are planning to be in Washington later this month, and that you might wish to designate others in addition to yourself to be included in briefings either at that time or later. In anticipation of your coming, I have asked my assistant, Colonel Stanley J. Grogan, to make the necessary arrangements for these briefings. When your plans are made, will you please contact him at this address, either by mail or by a telephone call to him at [redacted] [redacted]

We look forward to hearing further from you, and hope that you will find these forthcoming briefings profitable to you in your programs.

Sincerely,

Allen W. Dulles
Director
